2008 London to Brighton Veteran Car Run

LBVCR Open Top Bus Tour (Sunday 2 November)

Experience the excitement of the occasion and the cheers of the crowds that line the 60 mile route whilst following the Veteran cars all the way to Brighton in the LBVCR organised open-top double-decker buses which leave Hyde Park, London on the Sunday morning at approx 7:30am after viewing the first 30 minutes of the 6:58am start.

In 2007 three buses took over 100 enthusiasts along the route, with just 50% occupancy on each bus to allow enjoyment of either upper or lower decks depending on weather conditions.

A stop for refreshments at the official LBVCR coffee break at Crawley and more opportunities on the way to see the Veteran cars and friends is included.

Official bus tour starts from Hyde Park at 7 am (Check In) and departure at around 7.30am. Buses depart Madeira Drive, Brighton for the return journey at around 4pm.

Each ticket costs just £65.00 which covers travel to Brighton and optional return to London later on the Sunday afternoon plus souvenir programme and special access passes to the paddocks in Hyde Park, Crawley and at Madeira Drive in Brighton.
